

# **BEFORE RETURNING TO RETAILER**

If there is a missing or broken part, or any other problem with this product, assistance is available by calling our toll-free Hot Line at **888-494-7278**.

**It is important to register your product to activate your warranty and for Customer Service to better serve you.**

Online registration at: <http://nationaltree.com/customer-service.html>

Customer Service can best handle your inquiry after the registration process has been completed. Please **RETAIN YOUR RECEIPT/ SALES CONFIRMATION** as it will be needed during registration and as proof of purchase. You will also need to record the item number and UPC number that are located on the carton.

*Thank you for buying a National Tree Company product.*
